FOREWORD by LEONARD MALTIN

Like millions of others who grew up in the 1950s and '60s, I felt a strong connection to *Peanuts* and Charles M. Schulz. By the 1980s, when the strips in this volume were first published, my life had changed and I suppose I was too busy or distracted to follow the daily comics. The loss was mine.

Encountering them for the first time is a treat, like rekindling an old friendship. There are many constants: Charlie Brown's haplessness with kites and utter failure at baseball, Lucy's bossiness, Linus' erudite quotations, and Snoopy's fanciful adventures with Woodstock, to name just a few.

Yet more than thirty years after its inception, the strip still seems fresh. Whoever said "familiarity breeds contempt" never followed a comic strip day-to-day, year-to-year. It's reassuring to know that Lucy is still as hard-headed as ever, Charlie Brown is as easily defeated, or that Snoopy can summon up the wildest imaginings: alone with his thoughts, his typewriter, or his little bird friends.

One can't, and shouldn't, judge a strip by any individual entry; some days are bound to be funnier or more inspired than others. It's the consistency of *Peanuts* in these early-1980s installments that makes it great. You can count on each entry

to give you a smile, and as often as not that smile comes from your knowledge of the characters, not the brilliance of a punchline. Great comedy almost always comes from the development and delineation of character, whether we're discussing Charlie Chaplin, Laurel and Hardy, the Jack Benny ensemble or their descendants on *Seinfeld*. It's not just what they do that makes us respond; it's who they are.

Marcie's stoic cluelessness, Snoopy's visual and verbal non-sequiturs (climbing through a musical notation, using his ears to become a weather helicopter), Schroeder's single-minded devotion to his piano (even when he discovers that he can get a laugh by pulling it out from under Lucy's head) all entertain us because they are derived from a foundation Schulz has established and embellished over the years. This is the happy substitute for the sense of discovery that readers must have felt in earlier years when the strip was new and its characters' peccadilloes were first introduced.

And, like any good cartoonist trying to find enough ideas to meet a daily deadline, Schulz draws on life, as a husband, father, pet owner, and sports fan: surely Snoopy's reaction to a pizza that's too hot must have come from a first-hand human experience. The same may be true of Peppermint Patty's bungled school report which, she's forced to admit, was written just before breakfast that day. These are the details of everyday life we can all recognize.

How many writers, artists or performers could claim this level of accomplishment after three decades of continuous output? It's just one reason Charles M. Schulz was so respected within his profession, and beloved by the public.

To a generation accustomed to acquiring complete collections such as this, it must seem downright quaint to think of a time when people actually waited for each daily installment of a popular strip. I still marvel when I read about the following that *Dick Tracy* had in the 1930s and '40s...yet I fell under a similar spell when I first came upon *Peanuts* in my father's evening copy of the *New York World-Telegram* in the late 1950s. I remember the mounting suspense over Linus' lost blanket when it was used as a kite in that memorable run of stories in 1961. I was ten years old at the time. I even recall a newspaper

article about the nationwide phenomenon of readers, young and old, getting caught up in that cliffhanging narrative.

One of the first books I ever purchased, with my own money, was a paperback collection of *Peanuts* strips. That's where I learned that the comic I knew had evolved over the course of my lifetime—that Charlie Brown looked slightly different when he started out on the printed page, and other characters gradually joined the cast.

My parents gave me some of the earliest *Peanuts* merchandise (I still have my Charlie Brown and Linus nodders, made of plaster), and I remember buying my own copies of *Happiness Is a Warm Puppy* and the annual *Peanuts* wall calendar, both products of the aptly-named Determined Productions.

And I remember how exciting it was to see the characters I knew so well come to life for the first time, in the opening title sequence of singer Tennessee Ernie Ford's weekly variety show on NBC. There was a new vignette every week, and I couldn't wait to see what it would entail—much as kids my age anticipated what would happen to Donald Duck when he struck that gong every day at the beginning of *The Mickey Mouse Club*.

Unlike many other fans, I took my interest in *Peanuts* a few steps farther. As an aspiring cartoonist, I read everything I could find about Charles M. Schulz. I learned about his perfectionism, and his insistence that he personally draw his characters for every appearance they made—except in the Dell comic books. No wonder they looked slightly different there.

Finally, I mustered up the gumption to write to Schulz, not only to express my admiration but to send him samples of my India-inked panel cartoons, following the tips I'd acquired from Jack Markow's *How to Draw and Sell Cartoons*.

To my amazement, I received a personal, full-page typed letter back from Schulz, brimming with encouragement for my amateur efforts. He also enclosed a signed original of a daily *Peanuts* strip! My parents had it framed and it hung on the wall of our family home until I got married and claimed it for myself.

I'm sorry to say I didn't heed Schulz's advice about working hard and keeping at my drawing board. I drifted into writing instead, which hasn't worked out so badly, but I still wish I had taken art classes. I was fooled by the simplicity of the

drawing in *Peanuts* and thought I might emulate that quality without having the skill I needed to pull that off. I didn't appreciate that Schulz was a trained commercial artist who understood what to leave out in order to create the deceptive simplicity of his strip. Even a cursory glance at the work of Schulz's hero, Roy Crane, reveals the craftsmanship that he admired so much, although he chose to go in an entirely different direction. (It's interesting to note that around the same time that Schulz was developing *Peanuts* a group of forward-thinking artists who had left the employ of Walt Disney created a similarly reductive, highly stylized approach to animation at the UPA studio. Their ground-breaking work was later bastardized as "limited animation" for TV, but the men who made *Gerald McBoing Boing* and other great cartoons chose simplicity as their hallmark, just as Schulz did. One of them was Bill Melendez, who later shepherded *Peanuts* into the world of animation, beginning with those Tennessee Ernie Ford intros.)

My early communication with Schulz had a serendipitous postscript. More than twenty years after writing that fan letter, I was working on a high-profile TV show called *Entertainment Tonight* and was approached by United Feature Syndicate to see if I'd be willing to shoot a video interview with the *Peanuts* cartoonist. It was intended to accompany a touring museum show to celebrate the strip's 35th anniversary. I couldn't believe my good fortune.

So it was that one bright afternoon, my wife and I arrived at the great man's studio in Santa Rosa, where we were cordially greeted. As the camera crews tweaked their lights, I told Schulz about my long-ago letter and his kindness in responding and sending me a signed original. "Well," he said without hesitation, getting up from his chair, "We've got to get you something newer than that!" He went to a nearby desk and pored over a batch of Sunday originals, selected one he liked, and inscribed it to Alice and me. But this time he signed it "Sparky." It just doesn't get much better than that.

I think I'd still be in love with *Peanuts* even if I hadn't enjoyed those two brief brushes with its creator. And why not? It's one of the greatest comic strips of all time.

THE MEETING OF THE BOARD OF THE "PELICANS" BASEBALL TEAM WILL COME TO ORDER!

TODAY WE'RE GOING TO VOTE ON WHETHER OR NOT WE CALL CHUCK... I VOTE "YES"!!
3-14

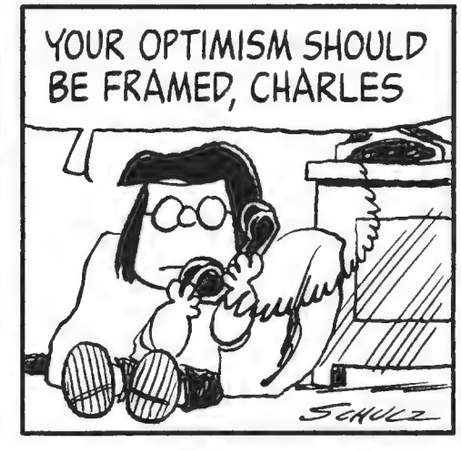
I VOTE "NO"
I CAN'T DECIDE
THEN THE "YES" HAS IT!

HOW COME?
IT WAS LOUDER!
SCHULZ

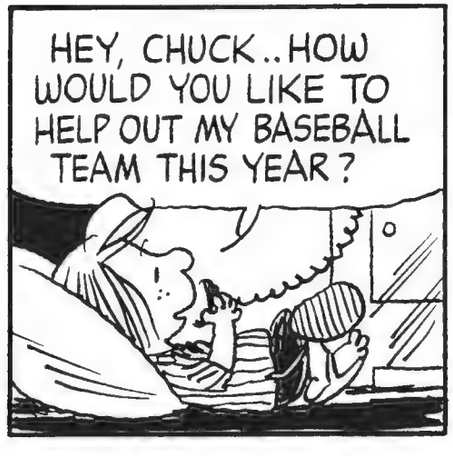
I SHOULDN'T BE TELLING YOU THIS, CHARLES, BUT I FEEL I HAVE TO...

PEPPERMINT PATTY IS GOING TO ASK YOU TO HELP HER BASEBALL TEAM
3-15

SHE WANTS ME TO PITCH?



YOUR OPTIMISM SHOULD BE FRAMED, CHARLES
SCHULZ



HEY, CHUCK.. HOW WOULD YOU LIKE TO HELP OUT MY BASEBALL TEAM THIS YEAR?

WE REALLY NEED SOMEONE LIKE YOU, CHUCK...

BUT WHAT ABOUT MY OWN TEAM?
3-16

IT WOULD BREAK THEIR HEARTS IF I LEFT THEM
IT WOULD?
SCHULZ

YOU DID IT, DIDN'T YOU, SIR? YOU CALLED CHUCK, AND YOU TOLD HIM THAT OUR TEAM NEEDS HIM!

WELL, WE DO, MARCIE
YES, BUT NOT FOR WHAT HE THINKS!

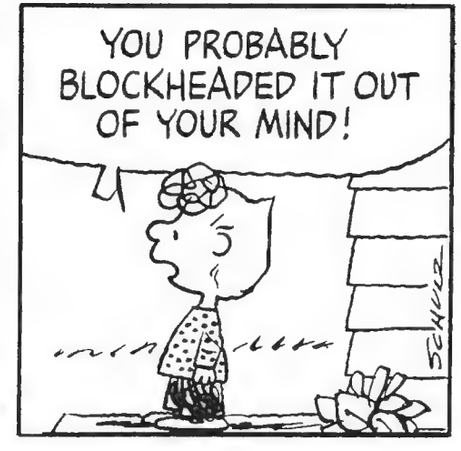
HE THINKS HE'S GOING TO BE THE PITCHER OR PLAY RIGHT WING, OR LINEBACKER OR GOALIE OR SOMETHING!
3-17

LOOK, MARCIE, YOU'VE GOT ME SO UPSET MY HAIR IS FALLING OUT
IT'S EITHER A THYROID PROBLEM OR GUILT, SIR
SCHULZ

PEPPERMINT PATTY SAYS HER TEAM NEEDS ME

SURE, LIKE LAST YEAR WHEN SHE TOLD YOU THE SAME THING, AND YOU ENDED UP SELLING POPCORN!

3-18
I FORGOT ABOUT THAT...



YOU PROBABLY BLOCKHEADED IT OUT OF YOUR MIND!
SCHULZ

WELL, CHUCK, I SEE YOU MADE IT..
I'M GLAD YOU ASKED ME...

GUESS YOU NEED A GOOD PITCHER, HUH?
3-19

WHAT WE REALLY NEED IS SOMETHING SPECIAL FOR OPENING DAY...
3-22

I WONDER IF WE COULD DROP YOU FROM A HELICOPTER..
SCHULZ

YOUR JOB, CHUCK, WILL BE TO JUMP AROUND AND GET OUR FANS TO CHEER

YOU HAVE FANS?

AND WHEN ONE OF US HITS A HOME RUN, WE WANT YOU TO TURN SOMERSAULTS, JUMP UP AN' DOWN AND GO CRAZY!

3-23
YOU HIT HOME RUNS?
SCHULZ

TOMORROW'S OUR FIRST GAME, CHUCK..I WANT YOU TO GO HOME AND GET A GOOD REST...

WHAT DID YOU SAY? YOUR VOICE SOUNDS MUFFLED...WHY DOES YOUR VOICE SOUND MUFFLED?
3-25

IT'S HARD TO EXPLAIN...

MARCIE! WHAT ARE YOU DOING HERE?

I WANT YOU TO TAKE OFF THAT STUPID COSTUME, CHARLES, AND STOP LETTING YOURSELF BE HUMILIATED!

SCHULZ

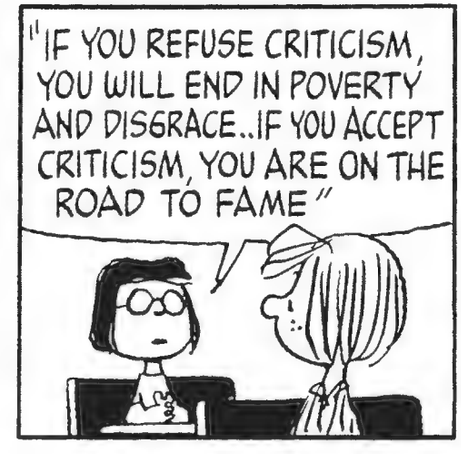
I HATE SCHOOL..ALL THEY DO IS CRITICIZE US...

I QUOTE, SIR, FROM THE THIRTEENTH CHAPTER OF THE "BOOK OF PROVERBS"
10-11



"IF YOU REFUSE CRITICISM, YOU WILL END IN POVERTY AND DISGRACE..IF YOU ACCEPT CRITICISM, YOU ARE ON THE ROAD TO FAME"

10-21
LIFE CAN BE VERY EXCITING WHEN YOU HAVE CHOICES
SCHULZ
I SHOULD GO INTO NEEDLES TONIGHT.. I CAN SEE THE BRIGHT LIGHTS BECKONING ME...
MAYBE I'D SEE A CUTE CHICK, AND I'D SAY TO HER, "HEY, HOW'D YOU LIKE TO GO PLAY VIDEO GAMES?"

CHARLES M. SCHULZ · 1922 TO 2000

Charles M. Schulz was born November 26, 1922, in Minneapolis. His destiny was foreshadowed when an uncle gave him, at the age of two days, the nickname "Sparky" (after the racehorse Spark Plug in the newspaper strip *Barney Google*).

Schulz grew up in St. Paul. By all accounts, he led an unremarkable, albeit sheltered, childhood. He was an only child, close to both parents. His eventual career path was nurtured by his father, who bought four Sunday papers every week — just for the comics.

An outstanding student, he skipped two grades early on, but began to flounder in high school — perhaps not so coincidentally at the same time kids are going through their cruelest, most status-conscious period of socialization. The pain, bitterness, insecurity, and failures chronicled in *Peanuts* appear to have originated from this period of Schulz's life.

Although Schulz enjoyed sports, he also found refuge in solitary activities: reading, drawing, and watching movies. He bought comic books and Big Little Books, pored over the newspaper strips, and copied his favorites — *Buck Rogers*, the Walt Disney characters, *Popeye, Tim Tyler's Luck*. He quickly became a connoisseur; his heroes were Milton Caniff, Roy Crane, Hal Foster, and Alex Raymond.

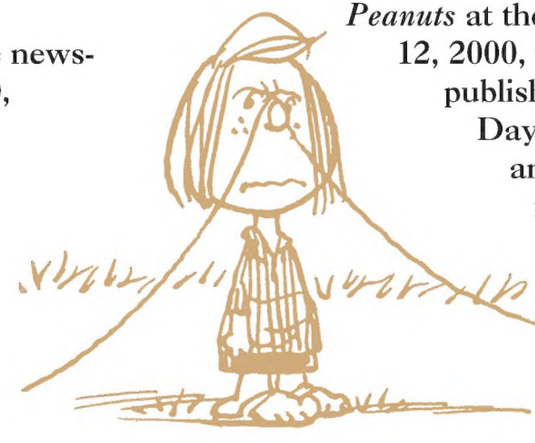
In his senior year in high school, his mother noticed an ad in a local newspaper for a correspondence school, Federal Schools (later called Art

Instruction Schools). Schulz passed the talent test, completed the course, and began trying, unsuccessfully, to sell gag cartoons to magazines. (His first published drawing was of his dog, Spike, and appeared in a 1937 *Ripley's Believe It or Not!* installment.)

After World War II had ended and Schulz was discharged from the army, he started submitting gag cartoons to the various magazines of the time; his first breakthrough, however, came when an editor at *Timeless Topix* hired him to letter adventure comics. Soon after that, he was hired by his alma mater, Art Instruction, to correct student lessons returned by mail.

Between 1948 and 1950, he succeeded in selling 17 cartoons to the *Saturday Evening Post* — as well as, to the local *St. Paul Pioneer Press*, a weekly comic feature called *Li'l Folks*. It ran in the women's section and paid $10 a week. After writing and drawing the feature for two years, Schulz asked for a better location in the paper or for daily exposure, as well as a raise. When he was turned down on all three counts, he quit.

He started submitting strips to the newspaper syndicates. In the spring of 1950, he received a letter from the United Feature Syndicate, announcing its interest in his submission, *Li'l Folks*. Schulz boarded a train in June for New York City; more interested in doing a strip than a panel, he also brought along the first installments of what would become *Peanuts* — and that was what sold. (The title, which Schulz loathed to his dying day, was imposed by the syndicate). The first *Peanuts* daily appeared October 2, 1950; the first Sunday, January 6, 1952.



Prior to *Peanuts*, the province of the comics page had been that of gags, social and political observation, domestic comedy, soap opera, and various adventure genres. Although *Peanuts* changed, or evolved, during the 50 years Schulz wrote and drew it, it remained, as it began, an anomaly on the comics page — a comic strip about the interior crises of the cartoonist himself. After a painful divorce in 1973 from which he had not yet recovered, Schulz told a reporter, "Strangely, I've drawn better cartoons in the last six months — or as good as I've ever drawn. I don't know how the human mind works." Surely, it was this kind of humility in the face of profoundly irreducible human questions that makes *Peanuts* as universally moving as it is.

Diagnosed with cancer, Schulz retired from *Peanuts* at the end of 1999. He died on February 12, 2000, the day before his last strip was published (and two days before Valentine's Day) — having completed 17,897 daily and Sunday strips, each and every one fully written, drawn, and lettered entirely by his own hand — an unmatched achievement in comics.
